
ACTION FOR SPORT

Action For Sport is a national charity dedicated to ensuring that everyone has the opportunity to participate in sport. We are based in Yorkshire and are proud to support both our local communities and communities all around the UK.

We are working with your child's school to promote healthy and positive lives, through the power and enjoyment of sport.

Through our work with your child's school or college we would like to offer you some free, used, sporting footwear from Action For Sport. We are currently offering football boots to children that might be interested in getting involved in football. If this is something that would be of interest to you and your child, please click the link to our online form which will be sent to you by your child's school.

If there is any further information you require, please either add this to your form at Question 10, or contact us through our website at www.actionforsport.com
