

Crossley Hall Primary School Anti-Bullying Team

Our school is a safe place to be and any kind of bullying is not OK. We are a *TELLING school*. This means that everyone should feel safe to tell someone if they see any bullying.

Our Anti-Bullying team can help with this.

*Look out for us on
the playground!
We will be wearing our
Anti-Bullying jackets
and/or purple caps.*

The Anti-Bullying team are not just there to help children who feel they are being bullied, they can also help you to make new friends, find someone to play with, or help you sort out arguments and disagreements.
