

Crossleygraph School Council News

Summer Term 2022

Reflecting on our achievements this year

The School Council has done a really important job of trying to make school a better place to play and learn this year. These are some of the things we have achieved; set up an Anti-Bullying Team, made and sent Christmas cards to the Rosegarland Care Home, created parking permits and posters, surveyed children about school dinners, assemblies and before and after school clubs, made a promotional video of our school, raised money for Red Nose Day and Children in Need, created a wish list of JU:MP resources and, of course, hosted the Crossley Hall Talent Show!

Talent Show

The Crossley Hall talent show at the end of Summer 1 was a huge success. There were lots of great acts; singing, drumming, dancing, beatboxing, magic and piano playing. The Diamonds Dance Act won the Year 5 and 6 competition and Layla won the Year 2,3 and 4 competition. The School Council organised the Talent Show and debated the winners. Well done to everyone who took part.

Before and After School Club Survey

This week, we have asked ten children in each class to complete a survey about before and after school clubs. We want to find out what is working really well, and how we can make it even better. Look out for these forms in your class and make sure you complete one so you can have your say.

Assemblies Survey

The School Council carried out a survey to find out the children's opinions and ideas about assemblies. Lots of children asked for a Praise, Reward or Always assembly in the school hall. Some children also thought class assemblies would be a good idea. We have passed this on to Mrs Monnery, so watch this space!

Always Event

Every week the class teachers choose one child from their class who is always ready, respectful and safe. In the first week of Summer 2, these children will be going on a special visit to Five Alive!
