

# Pennine Academies Yorkshire – Multi Academy Trust Crossley Hall Primary School SEND Information Report

### **The SEND Information Report**

#### Introduction

The following document is an information report detailing relevant information about Special Educational Needs and Disabilities (SEND) at Crossley Hall Primary School.

The information contained within the report is also to be considered alongside the schools SEND Policy and Local Offer.

## Report

Information Required	Crossley Hall Primary School Information
The types of SEND that are provided for	The school provides support for students with the following areas of SEND: Cognition and Learning Communication and Interaction Social, Emotional and Mental Health Needs Sensory and/or Physical Needs
	We also provide specialist support within our Resource Provision for students with Communication and Interaction (C&I) Needs including Autism.
	The Vines provides up to 24 places from Reception to Y6 for children who require more specialist support than a mainstream school could reasonably be expected to provide. Pupils accessing The Vines will meet the assessment criteria for Range 5 in the Local Authority VI range descriptors, although individual needs are always considered.
	They will be tactile learners, who have access to specialist teachers that deliver a bespoke and individualised curriculum to enhance C&I skills. The routine and consistent approaches put in place are crucial to the development of these children. Pupils who access the provision and its resources will have some form of C&I and/or Autism as their primary need and have an EHCP.

The policies for identifying pupils with SEND and assessing their needs	We have adopted an inclusive approach to SEND policy and practice. Pupils identified as having SEND are, as far as practicable, are fully integrated into mainstream classes. Every effort is made to ensure that they have full access to the National Curriculum and are integrated into all aspects of the school. The SEN code of practice 2014 makes it clear that all teachers of pupils with additional needs receive Quality First Teaching (QFT). Children may require further support and intervention at SEND Support. Children who are still not making process will require a referral to the High Incidence Team at SEND Support Plus which may lead to a requirement of further funding for additional support, adult intervention or specialist equipment in the form of Education Health Care Assessment (EHCA) leading to a legal document an Educational Health and Care Plan (EHCP).  The SEN code of practice 2014 states that this must be completed using the Graduated Approach – Assess, plan, do, review model.  The SEND Policy can be found at <a href="https://paymat.org/wp-content/uploads/2021/03/PAY-SEND-Policy.pdf">https://paymat.org/wp-content/uploads/2021/03/PAY-SEND-Policy.pdf</a>
The named school	Emily Moran
SENDCO	
The arrangements for consulting parents of children with SEND and involving them in their child's education	Parents and carers are kept fully involved in situations around SEND and their children. We operate many systems to engage parents including:  • My Support Plan Reviews  • Education, Health and Care Plan Reviews  • Parents Evenings  • Communication Books  • Telephone Consultations
The arrangements for consulting young people with SEND and involving them in their education	Students are kept fully involved in situations around SEND and their education. This is obviously engaged at an age and ability appropriate level. We operate many systems to engage students including:  • My Support Plan Reviews  • Education, Health and Care Plan Reviews  • 1:1 Activities and Work  • Individual Conversations
The arrangements for assessing and reviewing pupils' progress towards outcomes and how parents	The school uses a variety of assessment processes as relevant to different pupils and different year groups. We review progress daily in lessons which informs our planning. There are more formal reviews through the

issued with an annual report on their child's progress.  The arrangements for supporting pupils moving between phases of education and preparing for adulthood  The approach to teaching pupils with SEND  The adaptations that are made to the curriculum and the learning environment of pupils with SEND  The additional support for learning for pupils with SEND  The additional support for learning of staff to support pupils with SEND  The expertise and training of staff to support pupils with SEND, including how specialist expertise will be secured  The securing of equipment and facilities to support children and young people with SEND  The evaluation of the effectiveness of the provision made for pupils  The evaluation of the effectiveness of the provision and effectiveness through	and young people are involved as part of this	My Support Plan (MSP) and or EHCP targets which are reviewed at least termly. Parents and carers are
supporting pupils moving between phases of education and preparing for adulthood  The approach to teaching pupils with SEND  The adaptations that are made to the curriculum and the learning environment of pupils with SEND  The additional support for learning that is available for pupils with SEND  The expertise and training of staff to support specialist expertise will be secured  The securing of equipment and facilities to support children and young people with SEND  The school and designated SENDCO have strong effectiveness of the provision made for pupils  The expertise and for pupils  The evaluation of the effectiveness of the provision and effectiveness from our SENDCO involvement where approach both years and phases. There are detailed teacher handovers and SENDCO involvement where approach to both years and phases. There are detailed teacher handovers and SENDCO involvement where appropriate.
