## Nursery Beach Day

Dear Parent/ Carer,

As part of our summer topic, Wednesday 10th July 2024 is 'Beach Day' in Nursery!

Please send your child in summer clothes and sun hat, and apply sun cream if the weather is good. However, children will also need a coat in case it is chilly! They will also need a water bottle and towel. Please ensure we have a set of spare clothes in school as the children will be taking part in lots of beach themed activities. These include paddling and ice cream making.

Thank you for your continued support.
