## **My Happy Mind**

Dear Parent/ Carer,

We are pleased to announce that we have introduced the 'My Happy Mind' programme to our school to support the teaching of PHSCE.

My Happy Mind helps children understand how their brains work and creates a culture that helps to build children's resilience, confidence, character and self-esteem. It also teaches the children how to self-regulate and manage their emotions in stressful times, allowing them to be their very best selves!

MyHappyMind is delivered in school by the class teachers through a series of interactive lessons and then the children apply their learning throughout the day.

To further embed this learning, myHappyMind has developed a Parent App. These resources can be accessed online on your computer, or through an app on your phone. The Parent App will support you as a parent in understanding what your child is learning, activities for you to do together at home and also a Kids Zone featuring myHappyMind Games plus much more!

To access these materials just go to <https://myhappymind.org/parent-resources> to create your free account. You will need to enter your name, email, and authentication code.

Your authentication code is 146581
