

Growing and Blossoming
"Aspiration, Inclusion, Happiness"

Crossley Hall Primary School

Friday 25th October 2024

End of Autumn 1 Letter

Dear Parents/ Carers

As we come to the end of the first half term at Crossley Hall, I wanted to take a moment to reflect on the achievements and progress our pupils have made. I am incredibly proud of the hard work and dedication shown by your children in all aspects of their learning.

Celebrating Achievements

- **Attendance:** We've seen a significant improvement in attendance rates this term. Thank you for your support in ensuring that your children are present and ready to learn every day. Consistent attendance is crucial for academic success, and we are committed to continuing this positive trend.
- **OPAL and myHappymind Development:** This term, we have successfully integrated the OPAL (Outdoor Play and Learning) programme and myHappymind initiative into our school curriculum. These programmes have been instrumental in enhancing our pupils' social and emotional well-being. We've observed our students becoming more resilient, confident, and increasingly capable of managing their emotions effectively.

As we move forward, we remain committed to fostering an environment where every child can thrive. Here's what you can expect in the coming term:

- **Continued Focus on Well-being:** We will continue to develop our OPAL and myHappymind programmes, ensuring that all pupils benefit from these initiatives.
- **Parental Engagement:** We value your input and encourage you to download the myHappymind app to support your child's learning journey.

Please see the diary dates below for the events we have next half term
