## My Happy Mind – School Visit

Dear Parents and Carers

Following on from our parent event in December, we are excited to share with you that we have the My Happy Mind team visiting school. They are keen to observe our learning journey so far and explore how this has benefited us all!

We have seen a huge improvement in pupil ability to self-regulate, alongside recognising positive character traits. As you are aware, our intention is to prepare our children for the world by building resilience and balanced happy minds.

On **Monday 20<sup>th</sup> January 2025**, the My Happy Mind team will be visiting our school. During their visit they will have the opportunity to watch our Headteacher assembly, observe some My Happy Mind lessons and speak to our school community.

Some children will be interviewed and filmed for a promotional video to share our successes. The video will be shared on our social media platforms, within our trust and with stakeholders involved with the funding of schools, which could include the NHS, Public Health, and Local Authority professionals.

If your child has been selected to be involved in the process, you will be contacted directly.

As always, we thank you for your continued support!

Yours Sincerely

Mrs E Monnery  
Headteacher
