

Meet our LA SEND Caseworker

We invite you to come and join us for a 'meet and greet' opportunity with our Local Authority SEND Team Caseworker, Daniel Simpson.

Daniel is keen to meet with you to talk about your child/young person, provide advice and guidance in regards to their SEND and endeavour to put a face to the name many of you have come across within your child's paperwork! This is an informal session where tea, biscuits and a listening ear are on offer.

Please note, this session is open to all parents and Daniel would not be able to provide on the spot feedback to queries in some cases.

EYFS/KS1: Wednesday 30th April - 9am
KS2: Wednesday 7th May - 9am
Bookings must be done via the Arbor App

Please note that there will be a max capacity for these sessions
