## End of Spring 2 Term

Dear Parents and Carers,

As we approach the end of the term, I wanted to take a moment to reflect on the wonderful experiences and achievements our pupils have had over the past few months.

### Highlights of the Term:

- **Year 1 Trip to The Industrial Museum:** Our Year 1 students enjoyed an exciting trip to The Industrial Museum, where they had the opportunity to learn about the history of industry and engage with interactive exhibits.
- **Selected Y5 pupils on a bike ride:** Some Year 5 pupils were selected to go on a local bike ride with Ready Steady Pedal Leaders. This was a great opportunity for them to develop their cycling skills and enjoy the local scenery. This was the first year in Crossley history that we have got to a stage in cycling where children have been able to cycle beyond the walls of school! Amazing Year 5!
- **Ready Steady Pedal:** Reception, Year 3 and Year 5 pupils have continued developing their cycling skills, the leaders have been very impressed with their listening skills and determination in developing their cycling skills- great work!
- **Year 4 and Year 5 Progress in Swimming:** Year 4 and Year 5 pupils have made superb progress in their swimming sessions. They have shown great improvement and enthusiasm, which is commendable. I hope you'll be able to continue this as a family during the holidays.
- **Year 5 Ancient Greek experience:** To end the half term this week Year 5 pupils went back in time to the Ancient Greek world with an external visitor. This unique experience allowed them to explore history in an engaging way.
