Road Safety Training

Dear Parent/Carer

Your child will be taking part in a scheme which introduces them to practical road crossing skills - this involves up to two training sessions at the roadside.

Dates for the training are **Tuesday 6th May and Wednesday 7th May 2025**

Please make sure your child has suitable footwear and outdoor clothing

The following skills will be taught;

- Choosing safer places to cross
- Crossing safely between parked cars
- Crossing safely at junctions

You will receive the leaflet 'It's a Jungle Out There!' Please read this leaflet with your child. The training will be delivered by Bradford Council's Road Safety Team on local roads near school. Children will be in small groups and will be wearing high visibility tops.

It is extremely important that all children take part in this training as it prepares them for future safety on the road. We strongly recommend that they are supervised by an adult whenever crossing the road.

If you **DO NOT** wish your child to take part in the training, please email office@chps.paymat.org

Yours Sincerely

Year 3 Team
