Parents Evening Changes

Dear Parents and Carers

As you are aware, Mrs Hayton began her maternity leave a few days ago (no sign of her baby yet!) As the new class teacher has not been with your children for very long, we have thought carefully about Parents Evening and what the best option would be.

We have decided to send your children's reports home early **INSTEAD** of holding Parents Evening with the new teacher. Mrs Hayton wrote the reports before she finished, so please be assured they are completely personal! We will only share the part written by her at this point - end of your outcomes and attendance data will be shared at the end of the year.

We do apologise for **not** holding Parents Evening at this point but having given it careful consideration we do not feel the new class teacher is able to discuss progress over the year and share what amazing progress the children have made since September.

If you have any questions or would like to discuss further, please do not hesitate to contact me.

Yours Sincerely

Mrs T Bramley
