End of Summer 1 Term

Dear Parents and Carers,

As we approach the end of the term, I wanted to take a moment to reflect on the wonderful experiences and achievements our pupils have had over the past few months.

Highlights of the Term:

- **Dr Bike in school:** The fantastic bike mechanics and their Year 6 apprentices fixed nearly 80 bikes in one day - thank you so much to all of those involved for all of their hard work!
- **Book Bus:** We had the Book Bus in school for two days and the children bought over £2000 worth of books! Thank you for being so supportive of encouraging the children to read.
- **Road Safety Week:** All children took part in road safety sessions across the week, with Year 3 going out of school and learning how to use different crossings safely. They were incredibly sensible and we are very proud!
- **Year 2 Writing Presentations:** Year 2 were so proud of their writing this term they invited parents into school on the very last day to show off what they had done. Some beautiful pieces of writing with incredible progress from the beginning of the year!
- **And finally...Year 6 took their SATS this month** - they have worked really hard and their teachers were incredibly proud of how they handled themselves over a stressful week. We are looking forward to the results but in the meantime, we know they did their absolute best!

As we look forward to the next term, we encourage parents and carers to continue supporting their children in their learning. Your involvement is crucial in helping them achieve their full potential.
