Crossley Hall Primary School

16th October 2025

World Science Day

Dear Parents/Carers,

On **Monday 10th November**, it is World Science Day. This is an opportunity for children to deepen their love for investigation, experimentation and to research renowned scientists! Each year group will complete their own experiment or investigation and spend some time looking into a specific scientist.

On this day, children are invited to come to school dressed as scientists - be as creative as you like!

If you have any questions, please do not hesitate to reach out to any of the teaching staff where they can further assist you.

Many Thanks,
Mrs Urquhart
(Science Lead)
