# Crossley Hall Primary School

Dear Parents and Carers,

As we reach the end of this Spring term, I would like to share some important updates and celebrate the wonderful progress our pupils have made.

Attendance remains a key priority for us at Crossley Hall Primary School. Our attendance team are working hard, and with your support, we are seeing some improvements. However, our attendance remains below the national average and lower than that of similar schools.

We have seen a significant improvement in punctuality this term, a huge well done to everyone arriving at school on time! We still have some children who are persistently late which does have a significant impact on their start to the day and the learning they miss. We kindly ask for your continued support in ensuring your child arrives on time and attends school regularly. The attendance policy has been updated and is now on the website - [Attendance Policy](#).

Our Relationship Policy has also been updated and is also on the website here: [Relationship Policy](#).

In positive news, we do have more children who have achieved 100% this half term than we have in any other term this academic year! We really do appreciate the efforts that you and your child make - to reward them, they will visit the play park at St Ives and have an ice lolly! Fingers crossed for sunny weather!

We have had lots of exciting events in school this half term - here a just a few:

The children absolutely loved the attendance reward by magician 'Dazzling Darren' - a whole hour of 'oohs' and 'ahhs'!

Some of our Year 5 children cycled to City Square using the West Bradford Cycling Super Highway with the support of Ready Steady Pedal, Mr Hahn and Miss Whitford - thank you so much to all!

Years 5 & 6 were visited by Tasif Khan, a British super flyweight professional boxer who was born and raised in Girlington. He shared his personal journey with pupils, emphasising the importance of resilience, determination, and education, while encouraging them to stay focused and believe in themselves.

Year 2 made (and ate!) wraps as part of their DT unit...

Year 6 were visited by our local PCSO's who spoke about the dangers of County Lines...

The Eid discos were completely sold out - children looked fantastic in some beautiful outfits! We're not sure who enjoyed it most - adults or children?!

Last - but definitely not least - all of the children have enjoyed using the outdoor resources in the spring sunshine!

Thank you for your ongoing support. We look forward to continuing this successful term with you and your children.

Warm regards,

Eleanor Monnery  
Headteacher
